

QUALITY POLICY STATEMENT

Global Equipment Spares Ltd (GES) is a leading supplier of abrasive wear parts to the mining, construction, agriculture and recycling industries. GES specialises in the profiling, milling and fabrication of abrasive wear plate and screening products. In 2012 GES acquired Sharp Screening Products, who manufacture piano wire screens for OEMs.

Global Equipment Spares Ltd (GES) and Sharps Screening Products Ltd is committed to the design, development, manufacture and supply of products that meet all applicable requirements and exceed Customer's expectations.

To continually improve the performance of the company to the benefit of our customers, employees and supply chain. To achieve this aim we intend to:

1. Continuously improve with the development and maintenance of an Integrated Management System to align with ISO 45001:2018, ISO 9001:2015 and ISO 14001:2015.
2. Formally review the effectiveness of the Quality Management System (QMS) on an annual basis through senior management to define continual improvement activities with measurable objectives.
3. Provide all necessary resources to ensure that the process of improvement remains a high priority.
4. Establish effective communication system throughout the company to ensure that improvement is driven by all aspects of the organisation.
5. Achieve customer satisfaction by being the 'Supplier of Choice' for our customers and to expand our market share.

Global Equipment Spares Ltd (GES) and Sharps Screening Products Ltd are totally committed to Quality and improvement at all levels and functions within the organisation.

This policy shall be made known to all existing and new employees, clients, suppliers, and subcontractors, displayed throughout our shop floor and reception areas and can be viewed on our website <http://www.ge-spares.com/> by wider stakeholders and the general public.
